

Dear Friends,

LRSN's Virtual AGM: 6.30pm, 12 October 2020

It is with much regret, with the current coronavirus situation, that we are unable to hold our popular AGM, Reception and Charity Auction event, in its usual format, in October; who could have predicted 12 months ago, the position we find ourselves in today?

However, all is not lost. The charity has much to celebrate and has adapted well through these challenging times. Our use of technology enables us to remain in touch with you all and so we are now holding our very first virtual AGM on 12 October by Zoom conferencing. We would very much like you to join us to hear about the work that we have carried out this year and our plans for the future.

On the night we will be joined by our MC, Sean Sparling, who will ease us through the meeting, which will start at 6.30pm. We will email detailed instructions on how to join the meeting, along with the Zoom meeting invitation, closer to the date for those who would like to join us.

We have also made the difficult decision not to hold a virtual charity auction alongside the AGM this year, in deference to the challenges that many of those companies and individuals who have supported us in previous years are facing during this pandemic. We hope that our usual AGM format will resume next year, so that we can continue to raise funds to support our vital services for Lincolnshire's farming and rural folk.

So, please come and hear what we have been up to this year. Put the date in your diary: Monday 12 October at 6.30pm and fill in and return the reply slip attached.

We hope to see you online!

With best wishes,

Meryl Ward MBE

LRSN Chairman
